If you have booked the prepackage tour of Cape Town, you will be met at the Hotel for a mid-morning transfer to Lanzerac Hotel & Spa. The balance of the day will be at your leisure. Otherwise, the hotel offers a shuttle into the town of Stellenbosch, where restaurants aplenty can be found.

# ANDBEYOND NGALA SAFARI LODGE

*Kruger National Park - South Africa*

*“A classic and luxurious safari lodge situated in AndBeyond Ngala Private Game Reserve on the western boundary of world-renowned Kruger Park”*

## Kruger National Park

AndBeyond Ngala Private Game Reserve shares an unfenced boundary with the world-renowned Kruger National Park, South Africa's largest wildlife sanctuary and one of the biggest nature reserves in the world (encompassing 2 million hectares of wilderness). A spectacular diversity of wildlife moves through this immense wilderness - elephant, leopard, spotted hyena, giraffe, buffalo and white rhino. Meaning "lion" in Shangaan, Ngala lives up to its name, supporting several prides of these powerful cats. Cheetah and African wild dog also regularly move through the Reserve. &Beyond Ngala was the first private game reserve to be incorporated into Kruger National Park and has exclusive traversing rights over 14,700 hectares of game-rich wilderness. Ngala offers an intimate African wildlife experience, led by expert ranger and tracker teams. In one of Africa's most innovative conservation partnership agreements, an annual lease, traversing fee and percentage of Ngala's profits are paid to the National Parks Trust to further conservation projects throughout South Africa.

# ANDBEYOND KIRKMAN'S KAMP

*Sabi Sand Game Reserve- South Africa*

*"A well-known historic camp with spectacular views out over  
The Sabi Sand Game Reserve"*

## Sabi Sand Game Reserve

Adjacent to the world-renowned Kruger National Park, the Sabi Sand Game Reserve is famed for its intimate wildlife encounters, particularly leopard viewing. Home to a host of animals, including the Big Five (lion, leopard, elephant, buffalo and rhino), the Sabi Sand is part of a conservation area that covers over two million hectares (almost five million acres), an area equivalent to the state of New Jersey. With no boundary fences between the Sabi Sand and the Kruger National Park, this Reserve benefits from the great diversity of wildlife found in one of the richest wilderness areas on the African continent along with the additional benefits experienced on a private game reserve. Game drives traverse an area of 10,000 hectares (24,700 acres) and strict vehicle limits at sightings ensure the exclusivity of your game viewing experience. Off-road driving ensures that you have the best possible view of any exceptional sighting and rangers are constantly in touch with each other to keep track of animal movements.
